

## **Kerr Smith**

Kerr Smith has enjoyed numerous years working in a variety of capacities within Youth Education and Programming, with a focus on the Arts, Sports, and Leadership. After completing his B.A. in Philosophy at the University of Western, Ontario, and being awarded the President's Letter for Highest Achievement in Humber College's Film/TV Scriptwriting and Production program, Kerr went on to create, develop, and sell two animated children's television shows. Having spent many fulfilling years as a camp participant, counsellor, and supervisor, Kerr returned to this field in 2006, opening his own summer Art Camp in Guelph, and presenting Art/Literacy workshops at schools across the GTA.

In 2007, Kerr completed his Masters of Education, and has since worked for the Peel District School Board as an elementary teacher, teaching Grade 4 & 5, Special Education, and Physical Education. In 2008/9, Kerr enjoyed the success of co-creating and conducting NTT soccer camps with his brother Ross (a professional soccer player), as well as opening for Juno-award winning artist Serena Ryder at the Burlington Sound of Music Festival with his band, "From the Bridge".
