

Co-operative Success Roundtable:

Strategies for Growth & Engagement

October 24, 2025

Hilton Mississauga-Meadowvale

We are excited to present you with this opportunity to **support co-operative growth and success** in Ontario, by sponsoring our in-person event taking place on Friday, October 24 at the Hilton Mississauga-Meadowvale, conveniently located near the airport.

We are seeking your support to help offset the registration fee for participants in order to make the event more accessible for small to medium-sized co-operatives.

At this event, participants will discover new **strategies**, share their **insights**, and **collaborate** with fellow co-operative leaders as we explore key issues that impact our sector. From **capital raising** and **legislative flexibility** to effective **co-operative engagement**, this roundtable event is a chance to gain **practical tools** and contribute to **actionable steps** that drive co-operative success. Participants will also have ample networking time at the buffet lunch and energy break, explore the mini trade show, and take part in the Co-operative Spirit Awards ceremony!

Please contact Audrey at aaczel@ontario.coop or Michelle at mchristmann@ontario.coop with your questions or support.
